

Classroom News Unit 1

After School Activities

📖 This cycle's Raz-Plus book is titled *Feelings*, and students will complete the Book Report in class—just for this cycle.

🐝 Our Spelling Bee words are: happy, sad, love, cry, smile, this, now, get, good, new.

To support your child at home, try reading together daily and practicing spelling words with simple games like word hunts or spelling charades. These small moments make a big difference!

This week in 1TB: Cycle 1

This cycle, our young learners are diving into a variety of engaging experiences across subjects! In Math, we are exploring numbers from 1 to 20 ¹²₃₄—counting, recognizing, and representing them through fun games, objects, and drawings to build number sense and confidence. In Language Arts, we're identifying and writing letters while connecting them to emotions and our spelling words 📖✍️. Through stories, vocabulary games, and writing tasks, students are growing both as readers and writers. In our Unit of Inquiry, we're focusing on recognizing and expressing emotions 😊🎨. Children will reflect on real-life situations, express themselves through art, and move their bodies to better understand how we feel and why emotions matter.

Reminders

Please remember to return the Home Learning Plans that were sent out previously. 📁

Also, on Friday, August 8, we will kick off the Baby Olympic Games LPV! 🏊🌟 Students should come dressed in their favorite sporty outfit that day. Get ready for some fun and movement!

Also, Thursday, August 7 is a holiday—there will be no classes that day. 🗓️❌
